All For Me Grog

from www.traditionalmusic.co.uk

Chorus:

G C G
And it's all for me grog, me jolly jolly grog
D

All for me beer and tobacco

G C G
Well I've spent all me tin with the ladies drinking gin
D D7 G

Far across the western ocean I must wander

I'm sick in the head and I haven't been to bed
Since first I came ashore with me plunder
I've seen centipedes and snakes
And my head is full off aches
And I'll have to make a path for way out yonder

Chorus:

Where are me boots, me noggin' noggin' boots
They're all gone for beer and tobacco
You see the sole's were gettin' thin
And the uppers were letting in
And the heels are looking out for better weather

Chorus:

Where is me shirt me noggin' noggin' shirt
It's all gone for beer and tobacco
You see the sleeves they got worn out
And the collar was turned about
And the tail is looking out for better weather

Chorus:

Where is me wife me noggin' noggin' wife
She's all gone for beer and tobacco
You see her front it got worn out
And her tail been kicked about
And I'm sure she's looking out for better weather

Chorus:

Oh, where is me bed me noggin' noggin' bed
It's all gone for beer and tobacco
You see I sold it to the girls
And the springs they got all twirls
And the sheets they're looking out for better weather

Chorus:

Silent Night

You can see them here: the seconds are most important for beginners the works are building blocks to create the harmony for the songs. You do not need to learn all the chords at the same time, only start with those who are in the song you want to learn. Fissure patterns Rhythm guitar is all about sharpening and sharpening patterns. Define the groove, the rhythm and the tempo of the song. For the fussy songs we have famous patterns of trimming that they are universal for the most popular songs of all time. Most of the songs have a 4/4, 2 or 6/8 time firm that can be reproduced in different varieties using simple direct Strumming patterns. Play with a capo some of the songs on this list are reproduced with a capo. A capo is a small device that can be fixed on the neck of a guitar and allows you to easily change the guitar key. It makes it possible to touch the song in the original key but use simple open chords to make the most important song to play. This is something common in the guitar game and guitarists do it all the time, do not only beginners. It is also a way of being more creative with your guitar playing. I always say: Å € œThe life is too short not to use a capo Å € . File guitar songs of all time on song lists we have links to void guitar classes and tutorials, songs of song chords with lyrics and guitar eyebrows. Sor.
